Summer 2026

Welcome to our new staff member ... Lily

Lily has been employed as our Fundraising & Communications Officer. Thanks to our existing staff we have gone from strength to strength, but the Trustees felt it was time to employ someone with these specific skills in order to continue raising the profile of CCN and seeking to source funding in a more structured way.

Give thanks for the staff team. Each has different gifts and experience. Please pray for them as they welcome Lily and work together to take the charity forward ...

Thank God for the opportunity to run this open day for the Bishop's Garden. Please pray that tickets will sell well and that funding and the profile of CCN will be raised.

Trustees

Over the last year, two of our Trustees had to step down, but we now welcome two new Trustees to our Board - Dot and Chris. Both have been involved with CCN for a number of years as mentors, so know us well. They each have their own relevant experience externally to the charity. We are now up to six Trustees again.

Praise God for the continued provision of Trustees with valuable experience, skills, empathy and energy.

BIG Give

We have won the opportunity to double donations during the week of 22-29 June!

There will be a special link for donations on our website and facebook page and everything given will be doubled by our Big Give Champion the *Postcode Lottery*. (upto a certain amount)

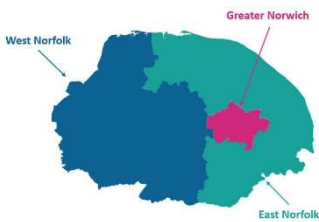

Please make a note of the dates and look out for how you can take part and support the work of CCN in this amazing double your money opportunity!

Pray this will be well supported and also raise our profile generally.

Please pray that these contacts will bear fruit and a training course can be arranged for West Norfolk soon.

West Norfolk

Jack and Claire attended the West Norfolk Volunteer Fair on Wednesday 3 June. Several people were happy to be contacted about mentor training. We are looking to run a course in Kings Lynn in order to provide mentors for prison leavers in that area.

On the Road

We are always on the lookout for groups and charities we can visit to give a presentation about our work, and opportunity for clients and mentors to share their stories. We also share information about how the criminal justice system works, which many people find interesting and at times shocking. Please let us know if you have contact with a group who would be willing to host us.

Personal contact and storytelling impacts people the most. Please pray we can find many groups in Norfolk who are open to finding out more.

Staff Team – please pray for ...

Abby as she manages the team and assesses new clients for our service.

Jack as he organises training and supports our volunteer mentors.

Claire as she administrates and communicates, holding things together.

Lily as she joins the team and seeks to breathe life into our online presence and seek funders and new funding streams.

That the team will continue to work well together.

Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Colossians 3: 12
